

PUBLIC NOTICE

The City of Tabor is excited to announce that beginning **August 1, 2026**, law enforcement services for the community will be provided through a partnership with **Mills County**.

As the contract for law enforcement services with **Fremont County** has expired, the City has worked diligently to ensure a smooth transition and continued public safety coverage for our residents.

We would like to thank Fremont County for their years of service and cooperation. We also look forward to building a strong working relationship with the **Mills County Sheriff's Office** as we continue our commitment to providing quality public safety services to the citizens of Tabor.

We appreciate everyone's support during this transition and are confident this partnership will serve our community well.
